“The Altgeld Leadership Program allowed The Lyon Family Foundation to get in on the ground level of a new initiative that had the potential to drastically alter the trajectory of its participants. The teens who participated in the program will take what they have learned to their homes, communities and beyond. All it takes is one trip or experience to open up someone's eyes to a whole new world. We know the Altgeld 10 will see life through a different lens because of this program!”

“Empowering children and their families is one of the most compelling ways to impact society. I have supported Metropolitan for more than 20 years because of the excellence it brings to early learning, parent education, and the spectrum of supports families need to be strong and self-sustaining. I believe in Metropolitan because of its proven commitment to families.”

THE FAMILY TRUST

Empowering families goes beyond impacting lives today. At Metropolitan Family Services, it means investing in future generations.

Our Family Trust offers a unique opportunity to ensure thousands of family members, from newborns to seniors, will be able to access services that will help stabilize, strengthen and transform their lives.

We invite you to join a special group of individuals who share our commitment to tomorrow's families.

"Our commitment to Metropolitan as members of the Family Trust is one of the best investments we have ever made. Metropolitan's impact with programs such as Early Childhood Education and Communities Partnering 4 Peace (CP4P) demonstrate its continuing capacity for leadership and innovation. As a board member for 35 years, I am constantly amazed at the

quality of Metropolitan's professional staff and its strategic focus on delivering results that strengthen families and communities. With our Family Trust membership, we're delighted to help this remarkable institution continue its work to empower families for generations to come."

“ I'm a big believer in the power of families. I am one of 12 siblings who were fortunate to grow up in a strong and loving home. My connection to my family has shaped my life. I want every family to be the best they can be – and I support Metropolitan because they help families make that happen every day. ”
